Mr. Sidney P Noe, Secretary,  
American Numismatic Society,

New York, N.Y.

Dear Sir:-

I am looking for a copy of Bulletin No. <sup>30.</sup>~~40.~~  
Bureau of American Ethnology, containing an article  
on Medals, which I learn after correspondence with  
the National Museum is out of print.

Prof. Hall of the Washington State Univer-  
sity suggested that you might have a copy of said  
Bulletin or that you might suggest to me the name of  
some one who could furnish me with one,

I would be very glad to buy one but would  
be grateful for the loan of one if it could not be  
purchased.

If you have one or know where I would be  
liable to find one I would like very much to have  
you write me .

Very Respectfully Yours,

*Luther N. Flegg*

Dear Sir:

In response to your letter of the 30th, I should be very glad to send you the Bulletin you desire. On the strength of your statement that you wanted to purchase a copy, I inquired from a bookseller here in town as to its cost, and he tells me that he has a copy which he will sell for \$3 for the two volumes. Thinking that you might prefer to own a copy, I am writing to offer you the choice of these alternatives. Please feel that I shall be very glad to send you the volume, one of our set, if you decide upon that course.

I should be glad to have you tell me further of your interest in Indian Peace medals, because it is a subject of great importance to us. If you read French, I would suggest your endeavoring to secure a copy of a book published by Victor Morin- Les medailles decernees aux Indiens d'Amerique- as part of the Memoirs de la Societe Royale du Canada, Ser.III, Tome IX, 1915 (Ottawa). I should think you could secure this by writing either to the Secretary of the Society or to the author. There is a helpful bibliography appended, which, however, does not exhaust the subject.

Should you see Professor Hall, I should appreciate it if you would say that I asked to have my greetings given to him, and when you come East, I trust that you will give us the pleasure of welcoming you at our Museum.

Very respectfully yours,

Secretary.

Mr. Sydney P. Noe,  
New York, N. Y.

Dear Sir:-

Enclosed find New York exchange for \$3.00 in payment for two vol. Bulletin No. 30 Bureau of American Ethnology, which you kindly located for me at one of your local booksellers.

My interest in Indian Peace Medals is due to the fact that over a period of years I collected Indian curios of various kinds and among them are some of these medals. Outside of the information secured from the Indians themselves, I have known little about these medals and consequently sought for some authentic information, such as contained in the above mentioned Bulletin.

If you will kindly see that the two volumes are forwarded to me at my office, 811 Paulsen Building Spokane, Wash. I will appreciate your kindness.

Very Truly Yours,

*Luther N. Flagg*

Dear Mr. Stager:-

Referring to my telephone conversation with you some weeks ago, regarding a copy of the Bulletin No. 30 of the American Bureau of Ethnology - Handbook of American Indians in two volumes. You will recall that you quoted me a price of \$3.00 for the set. I now take pleasure in handing you herewith a cheque for that amount endorsed to your order, together with the address of Luther B. Flagg, 811 Paulsen Bldg, Spokane, Washington, who will be very glad to receive them.

If your quotation did not take postage into account, I feel sure that if you will forward the book and explain that circumstance to Mr. Flagg, the postage will be sent you by return mail.

Very truly yours,

Secretary.

Dear Mr. Flagg:-

Your cheque for \$3.00 has been forwarded to the Cadmus Book shop with the request that they send you at once the two volumes of Bulletin 30 of the Am. Bur. Ethnology. It may be that the price they quoted did not include postage - if so, they will probably send you a memorandum to that effect.

If it would not inconvenience you, I should sometime like to have a list of the Indian Peace Medals in your collection - following Morin's list. There is to be a sale in Philadelphia in April which will include a number of these pieces. You might write to S. H. Chappan, 1128 Spruce St., Philadelphia, and say that you would like to have a catalogue of the Hunter collection when it is ready for distribution. If I can help you further, please feel that it will give me pleasure to do so.

Yours very sincerely,

Secretary.
